CHAPTER I THE COMPETITION

Article 800 – GENERAL

Codex For Athletes and Registered Trainers Competing in FEI Endurance Events

1. This Codex recognises two distinct roles associated with the preparation and participation of Horses in FEI Endurance Competitions: Athlete and Trainer.
2. For the purpose of this Codex, the "Athlete" is defined as the Athlete of the Horse in the Competition.
3. For the purpose of this Codex, the "Trainer" is defined as the person who is in charge of the preparation of the Horse both physically and mentally for Competition.

4. Prior to the Event, the Trainer is responsible for the conditioning of the Horse for the Competition which involves the exercise programme, nutrition of the Horse, seeking appropriate Veterinary care and the administration of therapeutic substances under Veterinary advice.
5. In many circumstances, the Athlete, will be the Athlete and the Trainer of the Horse.
6. To be successful, both the Athlete and the Trainer must have knowledge of pace and the efficient and safe use of the Horse across country and must be continually aware of both human and equine safety.
7. The Athlete and Trainer must not enter a Horse for Competition or compete a Horse that is suffering from an illness, injury or is receiving medication that would adversely affect or enhance the Horses' ability to compete.
8. The FEI requires all those involved in international equestrian sport to adhere to the FEI Code of Conduct for the Welfare of the Horse and to acknowledge and accept that at all times the welfare of the Horse must be paramount. Welfare of the Horse must never be subordinated to competitive or commercial influences.
9. The Athlete and the Trainer must have knowledge of the FEI Endurance Rules, the FEI Veterinary Regulations and FEI Equine Anti-Doping, Human Anti-Doping and Controlled Medication Regulations in addition to an awareness of the FEI General Regulations. They must ensure that they are aware of any annual changes, regularly reviewing the FEI Endurance Rules, FEI Veterinary Regulations and support a Clean Sport.
10. The Athlete and Trainer must abide by these rules and regulations in the preparation for and during Competition.
11. The FEI has the right to undertake disciplinary actions against an Athlete or Trainer who does not follow this Codex and FEI Rules and Regulations, to the detriment of the welfare of the Horse and the integrity of the sport.
12. When Endurance Horses are registered with the FEI, the name of the Trainer for that Horse must also be registered and a registration fee paid. Where the FEI Registered Trainer is also a registered Athlete then no additional registration fee is charged. Any change of Trainer for an FEI registered Horse must be notified to the FEI and the Trainer Registration updated accordingly.

800.1 – (Endurance)

„cross country“
„Equus“

Endurance Riding is a Competition to test the Athlete's ability to safely manage the stamina and fitness of the Horse over an endurance course in a Competition against the track, the distance, the climate, the terrain and the clock.

800.1.1 The most important responsibility of the Technical Delegate, Ground Jury, Stewards, Veterinary Commission, Chef d'Equipe, Team Veterinarian, Trainer and Grooms and the absolute responsibility of the Athlete is to ensure the health and welfare of the Horse by diligent application of their skill together with a caring, knowledgeable attitude by the Athlete.

800.1.2 To be successful, the Athlete must have knowledge of pace and the efficient and safe use of the Horse across country.

800.1.3 In an Endurance Competition any member of the Genus Equus counts as a "Horse".
